

# JENNIFER TINDLE

exceeding management expectations, developing innovative content,  
and managing client relationships for 4+ years

## CREATIVE

Crafted the new reporting software demo for the annual investor meeting, which resulted in ~\$50M in new subscriptions for the \$400M fund

Authored and designed graphics for the management commentary section of the quarterly investor report

Prepared and co-developed pitch books, including the calculations and development of KPIs

Re-designed monthly investor reporting package to be visually appealing and utilize investor-requested KPIs

## PASSIONATE

Loves managing an enthusiastic team

Spends free time learning new skills, such as financial graphing, and refining old ones, like reading, running and yoga

Enjoys researching unique travel destinations, such as Giethoorn, the "Venice of the North"

Volunteers at Austin Pets Alive!

## RESOURCEFUL

Self-taught VBA and Python to develop automation scripts for uploading general ledger data to the company's new investment reporting software

Studied embedded derivatives, complex share-based accounting practices and intangible asset valuation techniques to appropriately value those portions of the \$25B Dell LBO

With no prior airline industry experience, constructed and trained team on an internal controls framework over a new frequent flyer program for one of the largest Latin American airlines

## ACCOMPLISHED

Promoted early in every role since graduate school

Awarded the Elijah Watts Sells Award, a national award that recognized 39 of the 92,000+ candidates for achieving the highest scores on the CPA exams on their first attempt

Consistently exceeded team and personal goals
